

To remove the bobbin case,
Slide the two springs that hold the race cover down, and rotate the
cover until it clears the springs.

Parts ID:

45278 = bobbin case race cover

45279 = spring that holds the cover down, there are 2 of them, one on
each side that fit in the little notch areaa, circled area

45279 spring
that holds the
race cover down
